SPEEDRACK™

INVENTORY SOLUTION FOR WHEEL BALANCE WEIGHTS

ONLINE VIEWING 2025

FRONT OPENING BOXES
Get a clean product receptacle every time you open the box. No more dirty, broken bins!

PULL THROUGH INVENTORY
When one box of weight is empty, simply pull it out and grab the box behind.

PEG-BOARD INSERTS
Standard peg-board holes on each rack section allow for easy tool organization.

SIMPLE ROLL HOLDER
Follow the instructions on the roll box for how to insert it into the holder.
